

A Message from Mom...

It is with great anticipation and excitement that we write to you about what is going on at KCH!

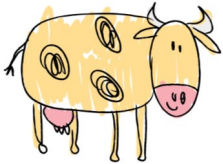

Mr. David Ball and his wife Lorrie have just joined us and they are staying Long Term to help us get on the path to being self-sustaining by getting a farm started for us.

Dave brings all the expertise to breed and care for the animals, and Lorrie will be working with our girls to make butter and cheese!

Our barn is presently under construction thanks to our local Belizean Friends and now we are ready for the animals. Mr. Dave (pictured left) and Mr. Lui, (another long term volunteer, right) are also eager to mentor and teach the older boys all about farming while sharing the love of Jesus with them while they work together on the farm.

With over 100 children to feed, we are eager to get this project going! See how you can help!

We are starting a FARM!
